

★ NOW HIRING ★ Job Opening at PacIOOS

PacIOOS Operations Coordinator

Seize the unique opportunity to join our small but dedicated and innovative team

- The **PacIOOS Operations Coordinator** is a new full-time, exciting position
- responsible for the coordination and management of our day-to-day
- operations in order to achieve our vision as detailed in the PacIOOS 5-year
- Strategic Framework. Our stakeholders rely on PacIOOS to provide timely,
- reliable, and accurate ocean data and information to support their decision-
- making. This position will work with the program management and all of the
- program components to update and maintain the PacIOOS Operational Plan
- and Build-out Plan, and provide field and technical support as needed. The
- Operations Coordinator will also develop initiatives to increase capacity for
- ocean observing in the region and identify and implement new opportunities
- to expand the ability of the program to address stakeholder needs.
-
- **Upcoming initiatives** for this position will include revising the PacIOOS
- Operational Plan; developing new capacity building workshops throughout
- the region; and managing the day-to-day operations of the program.

We are looking for a self-motivated, detail-oriented, flexible, adaptive problem-solver with excellent communication and interpersonal skills. Experience working with oceanographic instrumentation and the ability to work effectively with both technical and non-technical colleagues are also important. Please use the link on the next page to view all of the job qualifications. Salary is commensurate with experience.

At the **Pacific Islands Ocean Observing System (PacIOOS)** we believe that coastal and ocean information helps save lives and protects livelihoods and resources. Our mission is to empower ocean users and stakeholders throughout the Pacific Islands by providing accurate and reliable coastal and ocean information, tools, and services that are easy to access and use.

Based within the School of Ocean and Earth Science and Technology at the University of Hawai'i at Mānoa, PacIOOS is one of 11 regional associations of the U.S. Integrated Ocean Observing System (IOOS®). Check out our website at www.pacioos.org to learn more about our program and the data, tools, and services we provide.

★ NOW HIRING ★ Job Opening at PacIOOS

PacIOOS Operations Coordinator (cont.)

Seize the unique opportunity to join our small but dedicated and innovative team

You will love this job at PacIOOS because:

- You will be making a difference in the lives of people in Hawai'i and across the Pacific.
- You will engage with an extremely diverse group of people and cultures. (Yes, this means travel to awesome locations within the western and south Pacific!)
- You will be encouraged to be creative and innovative in how you succeed and meet PacIOOS program goals and objectives.
- You will be part of an awesome team of talented and capable technicians, scientists, students, and programmers.
- You will have the opportunity to grow in this position and to take on additional responsibilities as you excel and learn about program operations and goals.
- You will have flexible work hours in a relaxed and friendly work environment.
- You will always have a new challenge to address. Ocean observing is extremely dynamic!

Here is why one employee loves working at PacIOOS:

"I love how much PacIOOS and its employees care about the ocean and are committed to ocean observations. Staff are constantly trying to improve and expand on what we offer to support every-day decision-making for our users. It never gets old working at PacIOOS since it's such a diverse program and team. No matter the field or specialty, whether programming, instrument technology, modeling, community outreach, or research, it's a great and innovative team that supports each other and pushes the envelop to make a difference."

Benefits & Perks

Although the RCUH application paperwork is admittedly time-consuming, please don't let this dissuade you from applying to PacIOOS! Once you get past that stage, it is great to be an employee in the RCUH system. Here are some teasers:

- 21 vacation days every year and 21 sick days every year.
- Stellar [retirement plan](#) through TIAA-CREF, a 403(b) plan. RCUH contributes 10% of compensation once you meet eligibility requirements (1 year of service with RCUH), even if you contribute nothing!
- [UH/RCUH faculty/staff ID card](#) with associated benefits on UH Manoa campus.
