Contact: Robbie.greene@pacificcrp.org

This workshop is intended to spur meaningful engagement with PacIOOS’ current partners and MOA signatories in the CNMI, familiarize additional/potential organizations and agencies with PacIOOS programs and capacities, and collect feedback on potential programs or partnerships to implement based on structured discussion.

What should the future of ocean observing in the Northern Marianas look like? What data are we collecting? What questions are we answering? Who is involved in the fun!?
